THIRTY-SIXTH ANNUAL REPORT

OF THE

Dorcas Society of Trinity Church, Southwark.

Another season of work having come to a close, your Managers submit the usual statement required of them in this, the Thirty-sixth Annual Report of the Society. It has been a season of more than usual severity, and, as a consequence, more pressing demands have been made upon our beneficence, and it is gratifying to us to be able to report, that we have fully met the cases as presented, and have not turned our backs upon any poor connected with our Parish. We have, at the same time, assisted many other cases which have appealed to your Managers. The Treasurer's report for the year will show the total amount of contributions received, and the amount expended for material and articles purchased. Since our last report we have distributed, in our own Parish,

119 garments,
14 hats and caps,
15 pairs of shoes.

In addition, 14 garments to the Dorcas Society of the Church of the Redeemer, through Mrs. M. H. Bell.

We think that more might have been done than the above record shows towards relieving the suffering around us, especially with the increased means at our disposal, if more zeal had been manifested by all connected with the Board. Our meetings for sewing have not been as poorly attended for several years, as during the past season We have assumed the duty voluntarily, but it should be our duty as well as our pleasure to discharge it faithfully. Let the next season, should we be spared to enter upon it, show increased activity on the part of all connected with the Dorcas Society.

M. J. PETERSON,
First Directress.

THIRTY-SEVENTH ANNUAL REPORT

OF THE

Dorcas Society of Trinity Church, Southwark

The Board of Managers of the Dorcas Society of Trinity Church, at the close of the thirty-seventh year of its existence, have again the pleasure of submitting their report of work done during the past year. The work we have in charge is one which does not make any show, but in a quiet unostentatious way we endeavor to clothe the naked as for the Master's sake, and, as opportunity is afforded, doing good to those in the household of faith, who are poor in this world's goods. Among this number helped during the year, were several who never before had occasion to apply for aid, but found to be really deserving. We have to report an increased interest manifested this last year, shown by larger gatherings at our weekly meetings, making them, in this manner, more pleasant, as well as accomplishing more. The report of the Treasurer of the Society, for the year now ending, will exhibit the total amount of contributions received, and the amount expended in the purchase of materials and other articles distributed. In our own Parish, and

through our Managers, of the articles made by ourselves or purchased, we have distributed

111 Garments,
16 hats and caps,
11 pairs of shoes,

and have furnished to the Dorcas Society of the Church of the Redeemer, through Mrs. Mary H. Bell, fifteen garments.

THIRTY-EIGHTH ANNUAL REPORT

OF THE

Dorcas Society

OF

TRINITY CHURCH, SOUTHWARK.

The revolving seasons have brought us once again to the Anniversary Meeting of the Dorcas Society of Trinity Church, and the Board of Directors present on this occasion, to the members thereof, their Thirty-eighth Annual Report.

The past winter is one which will long be remembered both in its severity and duration, fairly lingering in the lap of Spring, and also from the suffering among our working people, owing to the unusual prostration in all business pursuits.

Appeals to our benevolence were consequently more numerous than have been usual heretofore, and that from many who never had to ask for assistance.

The work of our Dorcas Society has been much increased over former years, and we feel thankful

that the means have been at our disposal, so that we were enabled in some degree to relieve the suffering around us.

Among those connected with our Parish, and through the Managers we have distributed

125 Garments,
13 Hats and Caps,
23 Pairs of Shoes,

and in addition have furnished to the Dorcas Society of the Church of the Redeemer 18 Garments.
